

Winter School in Abstract Analysis section Set Theory & Topology

28th Jan – 4th Feb 2017

LOCATION

The school will take place at a conference center in **Hejnice, Czech Republic**, which is located in a former Franciscan monastery. It lies in the wonderful border region of Jizerské hory. The center is surrounded by mountains and beautiful nature providing ample opportunities for walking and exploring. A **bus from Prague** will take the participants to the conference center and back.

TOPICS

Set Theory
General and Set Theoretic Topology
Measure Theory
