Winter School in Abstract Analysis
section Set Theory & Topology

27th Jan – 3rd Feb 2018

LOCATION

The school will take place at a conference center in Hejnice, Czech Republic, which is located in a former Franciscan monastery. It lies in the border region Jizerské hory. The center is surrounded by mountains and beautiful nature providing ample oportunities for walking and exploring. A bus from Prague will take the participants to the conference center and back.

TOPICS

Set Theory
Set Theoretic Topology
& related areas
